II. PROPOSED AGENDA FOR NOVEMBER 20, 2019 STATUS CONFERENCE

The Parties have met and conferred and propose the following Agenda:

- Resolution of the parties' competing Proposed Orders to Show Cause for the 609 and 4,956 Plaintiffs in Alleged Violation of the Tolling Agreement and Subject to Defendants' Tolling Motions to Dismiss [Dkt. Nos. 489 – 492, 494 – 495 and 500];¹
- Bellwether Plan and Related Issues:
 - Entry of bellwether trial plan;
 - List of Eligible Stage 1 Cases/Substantially Complete Cases;
 - Resolution of the parties' competing Proposed Scheduling Orders Amending CMO 21 to extend appropriate related deadlines;
- Defendants' Request for Clean-Up CMO;
- Plaintiffs' Counsel's Motions to Withdraw and Plaintiff-Specific Motions to Compel for Failure to Produce a Plaintiff Fact Sheet
- PEC's Motions to Challenge Privilege Claims [Dkt. Nos. 388 and 433];
- Report on Depositions;
 - Scheduling of Continuation of Ulla Hellgren deposition in Sweden
 - Status of deposition scheduling of all defendants, including foreign former employees of AstraZeneca who reside in Sweden for whom service of deposition notices under the Hague Convention Treaty is pending;
 - PSC's forthcoming motion for Letters Rogatory to issue from the Court regarding a second group of depositions sought by the PSC of foreign, former employees of AstraZeneca who reside in Sweden.

¹ The PSC objects to Defendants' prioritization of this agenda item. The PSC believes the most pressing issue for the upcoming case management conference is the Bellwether Plan and Schedule, which has been an open issue since December 2018. The Defendants believe there is ample time at the upcoming conference to address both issues but that the tolling issue, which has likewise been ongoing for a long period of time, should be addressed as the first item on the agenda.

- Update on Document Productions;
 - AstraZeneca's SAS Productions;
 - Clinical Trial Information; and
 - Supplementation of Regulatory Files;
- PSC's Forthcoming Request to Add Additional PSC Members.
